

Stilicho could once again think of attacking the Eastern Empire. Alaric who had invaded Epirus was to be supported by a fleet. At that very moment, the defense of the empire along the RHINE collapsed completely. It seemed impossible to stop the hordes of ALANS, VANDALS, and SUEVI who poured into Gaul whose desperate population sought salvation from the Brittonic USURPER Constantine. To make

CONSTANTINE
d. 411 AD.

Roman General.

He was proclaimed emperor by the Roman troops in Britain in 407 and led a revolt in Gaul and Spain against the Western emperor HONORIUS. He conquered part of Gaul and through his son CONSTANS, took Spain. CONSTANTINE forced recognition from HONORIUS as joint emperor, but his
